SB93 Line 18. Implement the recommendations outlined in the 2013 Delaware Strategic Plan entitled “Blueprint for Collective Action: Final Report of the Delaware Strategic Plan to Improve Services and Supports for Individuals with Autism Spectrum Disorder.” This may include assisting state agencies and partner agencies to develop more detailed implementation strategies and timelines, and to track progress towards specific goals.

SB93 Line 25. Provide oversight for and development of goals and priorities for the Delaware Network for Excellence in Autism (Network), created to assist in the implementation of the Committee’s recommendations.
